- 2,900 new transfer students.
- 75 bachelor’s, 65 master’s and 24 doctoral programs.
- 42% of new undergraduate students are first-generation college students.
- 113 full merit scholarship packages were awarded through the Levine Scholars Program, Crown Scholars Program, Albert Engineering Leadership Scholars Program and the Duke Energy Distinguished EPIC Student Fellowships.
- 75% of undergraduates receive financial aid; 9,681 or 41% of undergraduates receive Pell grants, totaling more than $41 million.
- 9th class of the prestigious Levine Scholars enrolled.
- 1,123 annual and endowed institutional scholarships awarded for the academic year 2018-2019, totaling more than $4.6 million.
- Since it was established in 2015, the UNC Charlotte Evergreen Scholarship Fund has awarded $133,600 to 64 students.
- 137,000 alumni; 78,360 in the Charlotte region.

Our Faculty and Staff

- 1,000+ faculty and 3,200+ employees.
- Research awards totaling $50.7 million in 2018.
- Received a record 28 US patents in 2018.
- Consistently in the top 5 universities nationally for number of startups per million dollars research funding.
- One of 86 universities selected by the National Science Foundation to provide I-Corps customer discovery program, which has funded 73 UNC Charlotte teams.
Our Impact and Budget

- Our economic impact to the Charlotte region including payroll, operation, construction, and start-up companies was $2.1 billion in 2013.
- Annual Budget $750.9 million.
- State appropriation $273.5 million; tuition and fees $315.6 million.
- Undergraduate tuition and fees $7,044 in state; $20,478 out-of-state.
- Recognized by Carnegie Foundation as a Community Engaged University.

Our Athletics:

- Record 5,337 hours of community service completed by student-athletes during the 2017-2018 academic year.
- League best with 74 Commissioner’s Academic Medal recipients for maintaining a GPA of 3.75 or higher.
- 226 student-athletes were named to the USA Commissioner’s Honor Roll for maintaining a GPA of 3.0 or higher.
- 18 Division 1 sports, including women’s golf, which began competition in fall 2017.

Private Fundraising Priorities:

- Access and Scholarship - increase available funds to ensure that students have access to higher education to support their progress to graduation.
- Student Experience – support development of diverse campus activities ranging from intercollegiate athletics to top quality arts and cultural programming to engage the community and inform the hearts and minds of our students.
- Faculty support – continually invest in recruiting and retaining the highest quality faculty to ensure the continued excellence of University programs.
- Transformational opportunities – build on our unique role in the region’s economic development and, through programming like the Data Science Initiative, deliver tomorrow’s community of professionals.
